

DTI MEDIA THC DISCLAIMER

DTI MEDIA sells products that utilize a botanic extract, which contain absolutely zero trace amounts of THC as they are not cannabis derived. We are below the Federal Legal Limit and have less than 0.3% THC by dry weight. These are labeled as terpene blend and flavoring products. You can find the certificates of analysis (COAs) on each batch in the product description. DTI MEDIA and its affiliates will not be held liable for the damages or results from a positive drug screen due to using our products. Due to legalities, we make no guarantees on passing or failing urinalyses with either terpene blends or flavorings (Zero THC) products. Our THC Free products contain No Detectable (ND) levels of THC IAW gc/ms testing, verified by certificates of analysis (COAs) on site.
